supervision

All persons under 16 must be supervised by a responsible adult aged 16 or over. All parties must include a child eligible to use the soft play equipment.

rules of play

Socks must be worn at all times. We advise that long sleeved tops and long trousers be worn while using the soft play equipment. No jewellery should be worn while using play equipment. Children who wear glasses or contact lenses should take particular care. Children who are unwell should not use the play equipment. Only food and drink purchased at 'the Trough' is permitted to be consumed on the premises. Guardians should note that, whilst every effort has been made to ensure children's optimum safety, we cannot be held responsible for any accidents which may occur whilst playing on the apparatus. The nature of children's play means that accidents can happen. Parents / guardians are responsible for supervising the children in their care at all times when using the facility. No liability will be accepted for any losses, damage or theft. Management reserve the right to change times and prices without prior notification.
