

'We all need some Adventure in our lives - Go Wild in Arran!'

The Arran Adventure Company offers an exciting range of outdoor activities, which make a perfect and valuable addition to your visit. We are ideally located in the grounds of the Auchrannie Resort, so you are welcome to call in for advice on activities, cycle routes and hire mountain bikes.

Most of the activity sessions are designed with novices, children and families in mind, giving you the chance to spend some special time together - sharing great fun experiences and getting the best holiday snaps ever!

Our experienced, qualified instructors will help you develop confidence and guide you in a fun, safe environment, whichever session you choose. If you are a bit more experienced, want some personal coaching or looking for more of a challenge, you can hire a guide or book a private session for your group and it can be tailored just for you.
